

A horizontal bar chart showing the distribution of 1000 respondents across 10 categories. The categories are represented by colored boxes: 3 yellow, 1 light green, 2 medium green, 2 light blue, 1 medium blue, 2 light blue, 1 very light blue, 1 very light blue, 1 purple, and 1 purple. The total length of the bars is 1000 units.

A horizontal bar chart showing the distribution of 12 categories across three rows. The categories are represented by colored rectangles: yellow (3), light green (4), teal (3), light blue (2), and purple (2). The first row has 12 categories, the second row has 3, and the third row has 3.

A horizontal bar chart illustrating the distribution of 12 categories across three rows. The categories are represented by colored rounded rectangles: yellow (3), light green (4), teal (3), light blue (2), and purple (3). The first row contains all 12 categories, the second row contains the first 3 (yellow), and the third row contains the last 3 (purple).
