

A horizontal bar chart illustrating the distribution of 1000 respondents across 10 categories. The categories are represented by colored boxes: 3 yellow, 1 light green, 2 medium green, 2 light blue, 2 medium blue, 1 dark blue, 1 light purple, and 2 dark purple. The total length of the bars is 1000 units.

A horizontal bar chart consisting of 12 rectangular segments arranged in a single row. The segments are colored in a sequence: 3 yellow, 4 green, 3 blue, and 2 purple. The yellow segments are on the left, followed by green, then blue, and finally purple on the right.

A horizontal bar chart illustrating the distribution of 12 categories across three rows. The categories are represented by colored rounded rectangles: yellow (3), light green (4), teal (3), light blue (2), and light purple (3). The first row contains all 12 categories, the second row contains the first 3 (yellow), and the third row contains the last 3 (light purple).
